Dear Mr. Schiano,

We thank you for your patience, as you may know the state of North Carolina has been severely impacted by the recent hurricane. We are processing a large number of requests as well as still being very engaged in responding to Florence.

Your request for "Any email sent or received between August 25, 2018 and the date on which this request is processed which contains the keywords "Silent Sam" is very broad and will take a significant amount of time to collect. If you are able to narrow it to a more specific person, section, or unit within the

Department of Public Safety that would help expedite our response.

Sincerely,
